

The background features decorative geometric patterns in the corners. The top-left and bottom-right corners contain a honeycomb-like structure of hexagons, with some hexagons outlined in purple and others in blue. The top-right and bottom-left corners contain abstract line art consisting of interconnected nodes and lines, also in shades of purple and blue.

DISCUSSION FORUM & NEWS AGGREGATOR

By Amaliia Iusupova

PROJECT DESCRIPTION

A lot of people use multiple websites to stay informed about the world and to have discussions.

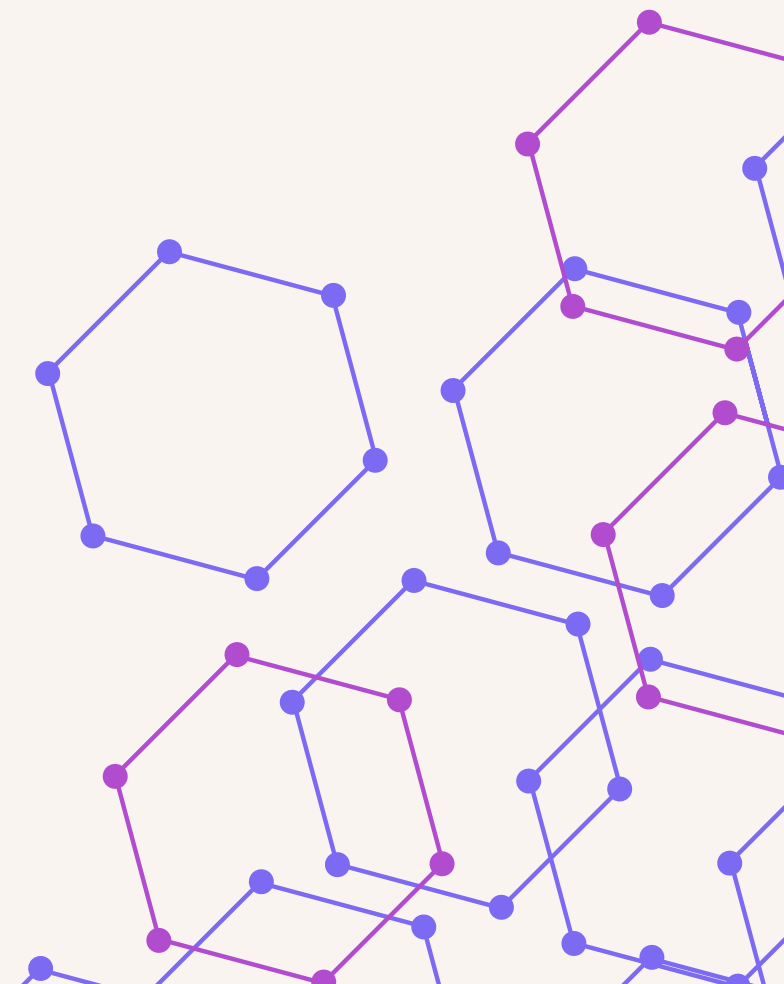

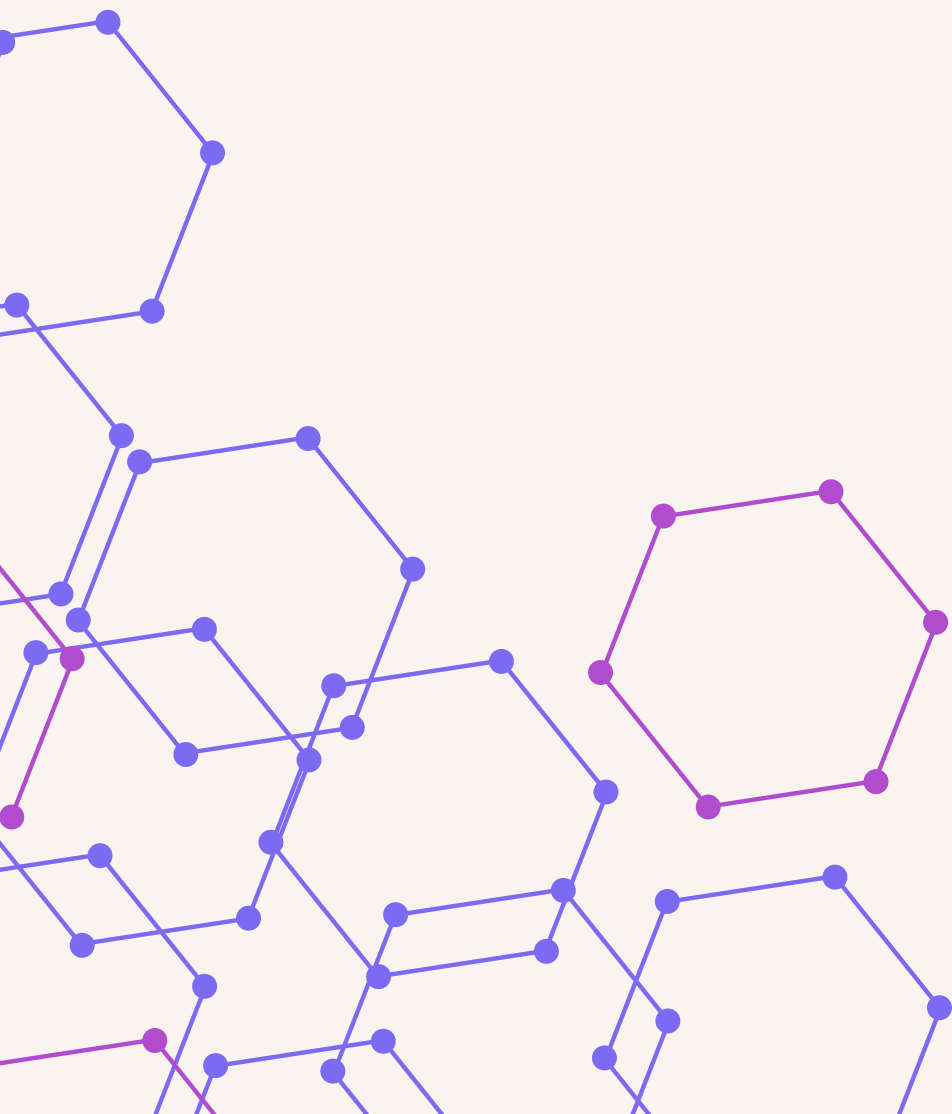

This project brings both ideas into one website.

FEATURES

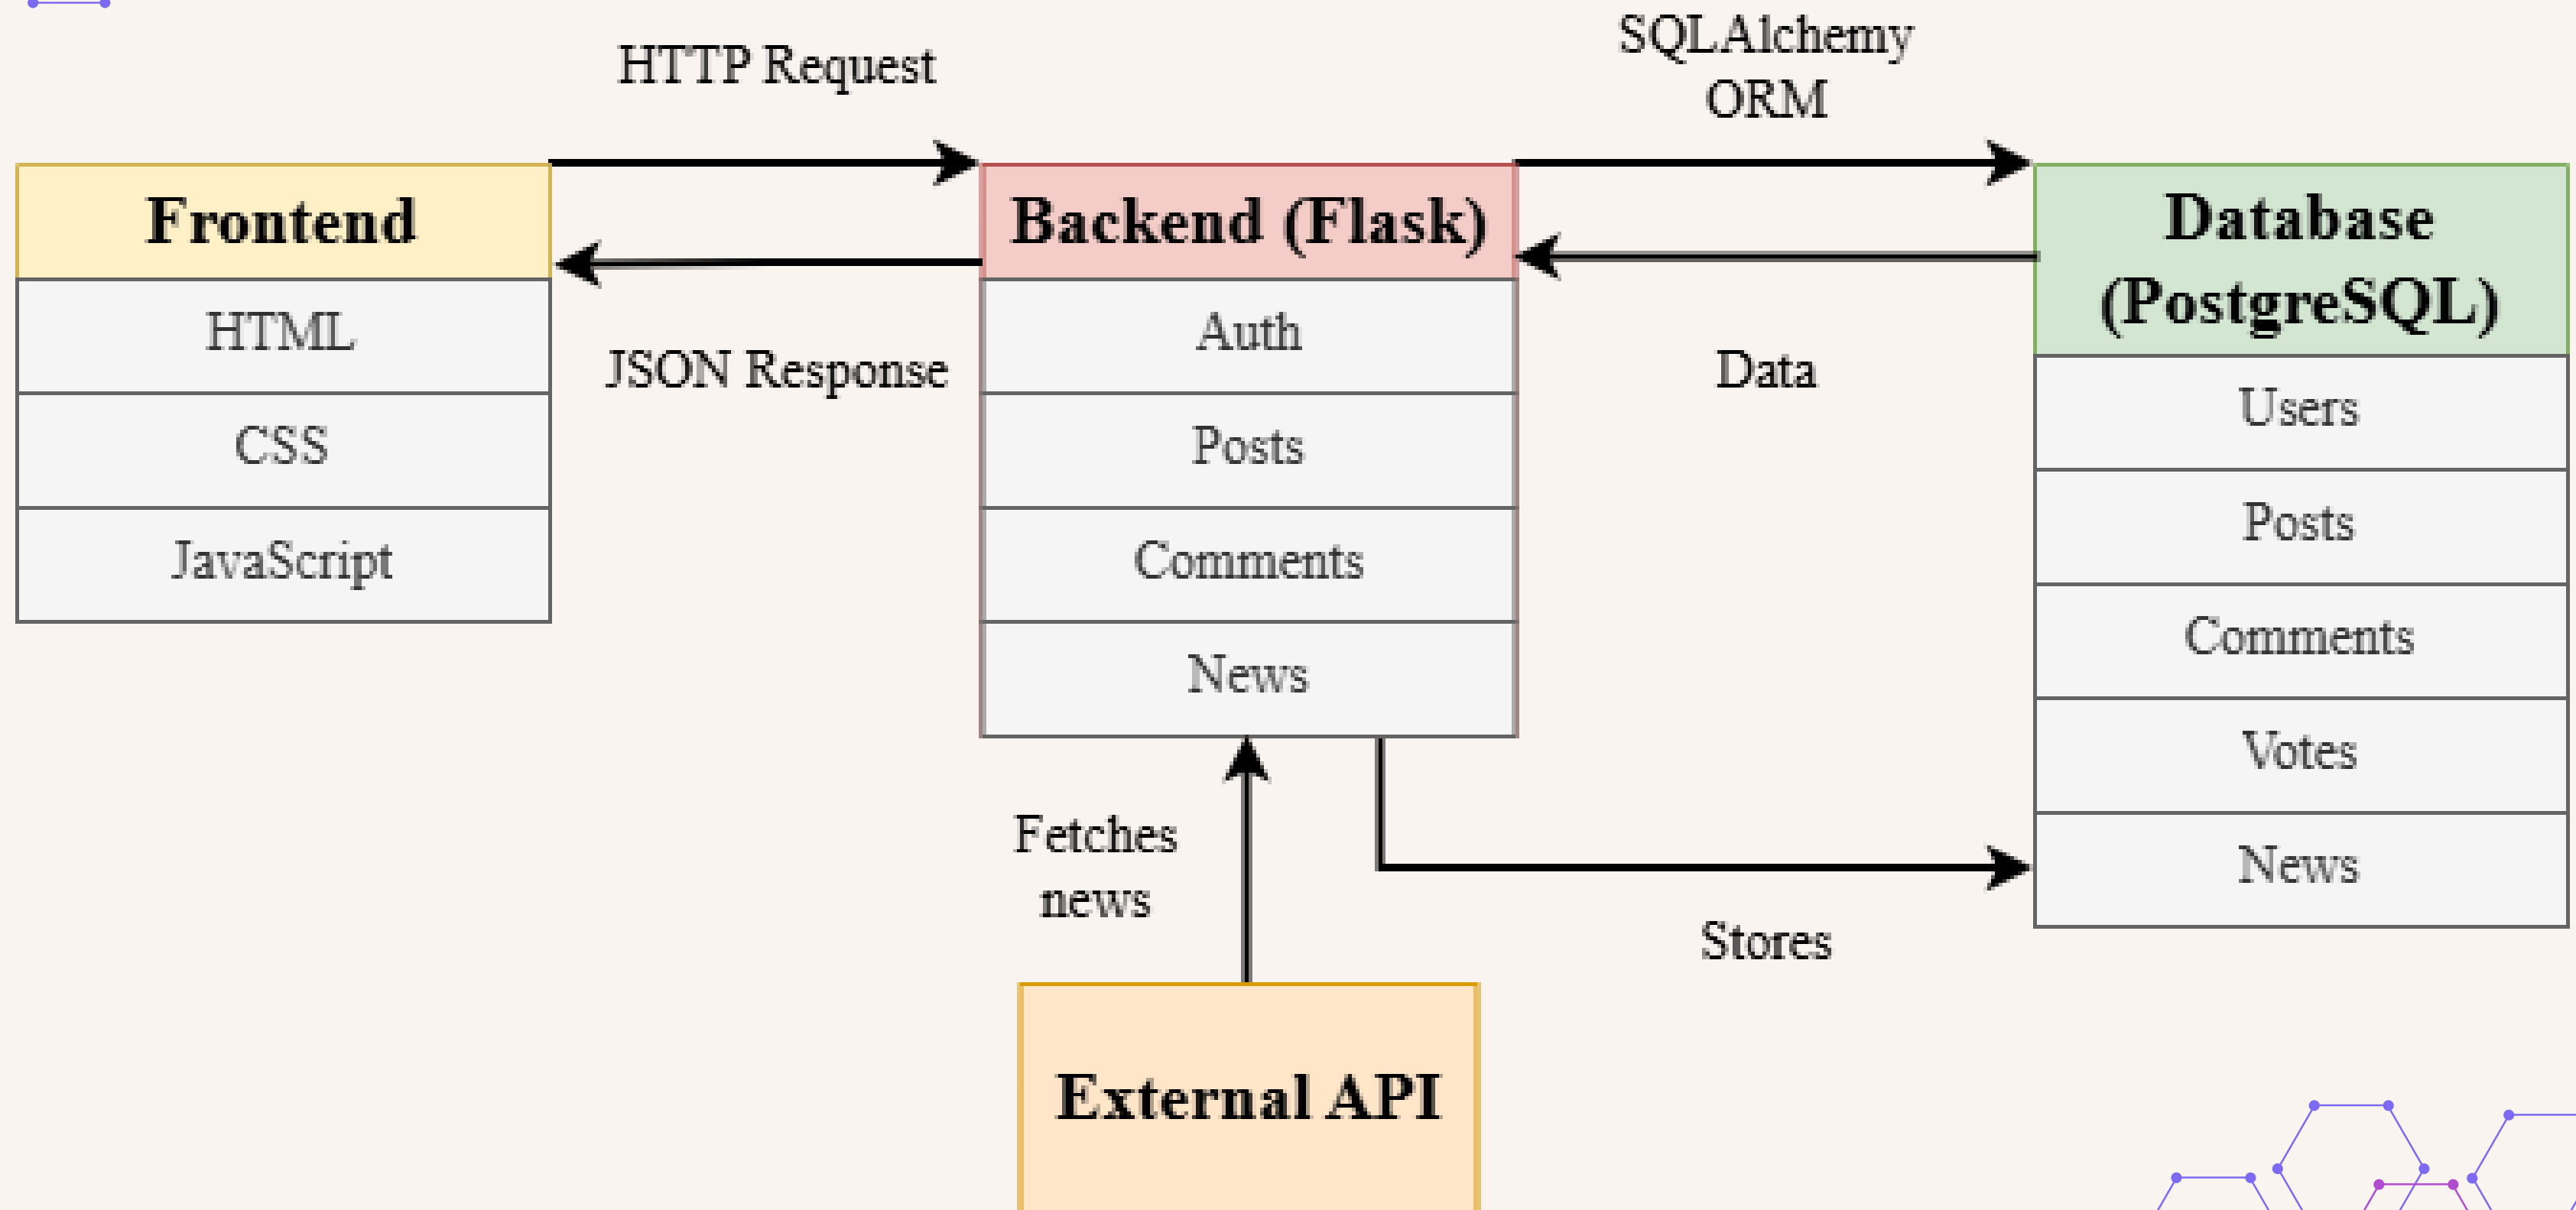

- Create, read, and delete posts
- Nested comments
- Upvote / downvote system
- Category filtering

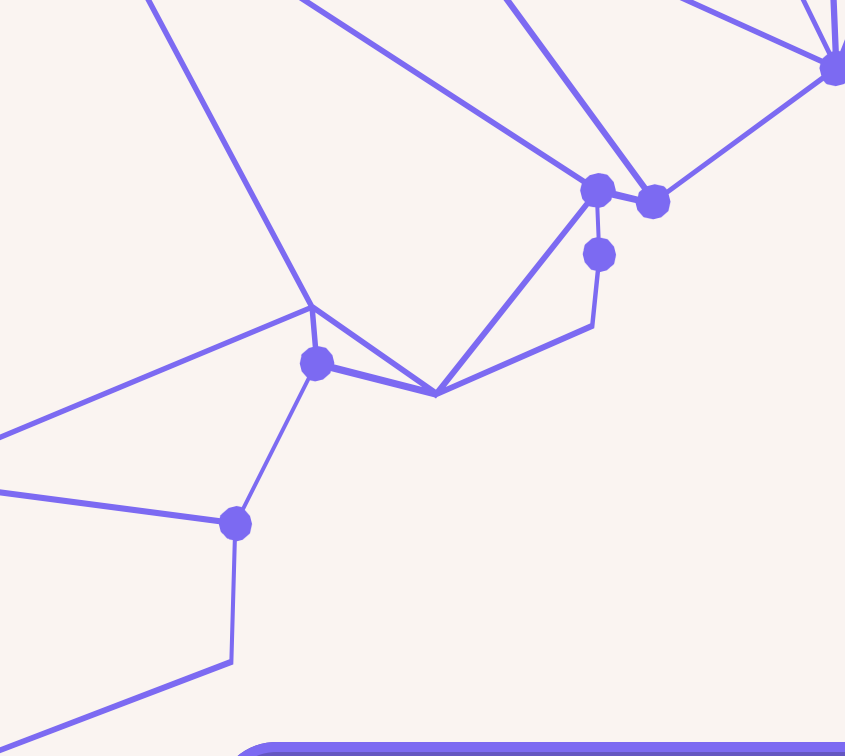

- Posts ranked by vote count
- Time range filtering
- Trending Topics sidebar pulled from post titles

- Fetches and stores real articles and news
- Keyword search across titles and descriptions
- Category filtering
- Source badges on every article card
- Clicking any article opens the original page in a new tab
